

# The Elves and the Shoemaker

## How to make a boot that ties up!

### You will need...

- The boot template (or your own version)
- A piece of coloured card or paper
- A pencil
- Scissors
- Glue
- A holepunch
- A length of wool or string
- Decorations – pom poms, stickers, sequins etc.

1. Print out the template or use it to draw your own template.
2. Cut out the boot template and draw round it on the back of your coloured piece of card / paper.
3. Cut out the boot.
4. Make some holes with the holepunch.
5. Decorate the boot with your decorations. You may need to use the glue here to stick your items on.
6. Thread the wool / string through the holes.
7. Tie a bow at the top of the holes with the wool.

Your boot is now complete, well done!
