

Giraffes Can't Dance

How to make a Giraffe finger puppet!

You will need...

- The giraffe template on our website (or your own)
- 2 pieces of coloured paper or card (we used yellow and white)
- A pencil
- Scissors
- Glue
- Paint
- Black felt tip pen

1. Print out the template or make your own.
2. Cut out all the giraffe pieces.
3. Draw around the head, body, neck and ears on one of the coloured pieces of paper. Cut them out.
4. Draw around the mouth and antlers on a different coloured piece of paper. Cut them out.
5. Stick the bottom of the neck to the body using glue.
6. Stick the top of the neck to the head using glue.
7. Stick the mouth, ears and antlers to the head using glue.
8. Draw on some eyes, mouth and nose with the felt tip pen.
9. Make fingerprints on the neck and body using the paint.

Your Giraffe is now complete, well done!
